**To:** IRAL  
**Subject:** Response to review

Dear Sirs

I am a barrister of 25+ years call specialising in administrative and public law.

In summary, my views are that judicial review is an essential part of the checks and balances on government and other decision-making by public authorities. The ability to bring judicial review claims is currently hampered by inadequate legal aid provision which ought to be reviewed and improved.

Kind regards

Adam Fullwood  
39 Essex Chambers
